COACH-II-LEAD PROGRAM (LEVEL 1&2)

“Being a leader changes everything. Before you are a leader, success is all about you. It's about your performance, your contributions. It's about getting called upon and having the right. When you become a leader, success is all about growing others. Your success as a leader comes not from what you do but from the reflected glory of the people you lead.”

- Jack Welch

about us

At ISCP the belief is that in such a dynamic changing corporate world everyone needs a Coach, but unfortunately only a few are privileged to have one. We want to change it. We believe in equipping leaders to be Coaches.

Coach-II-Lead program has been designed for leaders to adopt coaching and grow themselves and their teams.

We welcome all those who believe “they can be the change” to be a part of this movement.

course vision

- > Coach-II-Lead is a guided program for people leaders to learn, apply and master the techniques of Coaching. This structured program would not only lay the foundation to develop as a Coach but also a great human being.

course philosophy

At ISCP we believe that our personal values define our behaviors.

The ISCP Coaching model has been built around one's own personal values and how they influence one in different aspects of their lives.

At different stages whether it is one's education, career, finances or family and health one is rationally and emotionally committed and having a focused approach helps one to achieve one's desires and goals.

The ISCP model guides you through the same.
